# VOLUNTEERS

n e e d e d

Benjamin Franklin House is a dynamic museum and educational facility located at 36 Craven Street, just off Trafalgar Square. The House is the only surviving residence of this American founding father and distinguished scientist.

We are in need of volunteers to help us with the smooth running of our Grade I listed Georgian museum. We require our assistants to work closely with the Development Manager, the Education Manager and the Project Administrator on a variety of special assignments, from marketing to organisation of educational events.

Positions at Benjamin Franklin House are great for students who want to gain work experience in a museum/historical house or have a special interest in history, theatre, archaeology, heritage or science.

*For more information, please visit our website [www.BenjaminFranklinHouse.org](http://www.BenjaminFranklinHouse.org), email our Education Manager [ana@benjaminfranklinhouse.org](mailto:ana@benjaminfranklinhouse.org) or call Ana on 0207 839 2006.*
